

SCRUM Meeting 2 for Project 3

Sprint: 2

Prepared by: Jack Lewicki

Meeting Date: 4/9/25

Meeting Attendees

5. Trenton Gray
6. Jack Lewicki
7. Daniel Yeung
8. Alexander Greene

Meeting Agenda Items

- What people did
- Roadblocks
- What people will work on

Status Update Since Last Meeting

Accomplishments:

- Jack finished functionality for the manager x/z report and the inventory analysis chart
- Trenton finished the manager navigation page

Tasks Completed:

Task Description	Assigned to	Completed? (yes/no)
Manager reports	Jack	Yes but looks bad
Manager Navigation Page	Trenton	Yes

Before The Next Meeting

Plans:

- Trenton will fix a bug with processing transactions
- Everyone will add links to their pages from the manager navigation page
- Add context for user types so manager sees different stuff from the other types of users
- Jack will make manager analysis pages look better
- Trenton add analysis pages to the manager home

Task Assignments:

Task Description	Assigned to
Fix bug with transaction processing	Trenton
Add links to manager navigation page	Everyone
Add analysis page to manager home	Trenton
Make manager analysis pages look better	Jack
Add context for user type	Alex

Minutes from Previous Meeting

In our meeting, we reviewed each team member's progress, discussing their completed work and any blockers they encountered. We went over the tasks that have been finished and those that remain. Additionally, we documented our discussion in the meeting notes and uploaded them to GitHub for reference. The meeting was a general recap of our progress. All team members were still working on their portion of the project.
